Global Village Trivia Guidelines

Each school should submit *at least one* (1) Trivia Question for each country with your KUNA registration.

QUESTION FORMAT: questions should be formulated so that **the answer to the question is the NAME of the COUNTRY**. The country's name should NOT be included ANYWHERE in the question. For example:

In *this* country.....? -OR-

Which country's

NOT:

What is the national language of Zaire?

What is China's national weapon?

QUESTION CONTENT: Trivia Questions should be just that: TRIVIA.

Identify a *fun fact* about your country to use as a trivia question.

Avoid using basic information about the country's population, geography, religion, etc. That information *should* be in your booth, but it's NOT trivia.

The wilder and crazier your trivia question is, the more time people will spend looking at your booth to learn other information about your country.

Contact your Regional Director for approval/suggestions for your trivia question.
