An act to increase the Pick 3 and Pick 4 lottery base ticket price.

Be it enacted by the Youth Assembly of the Commonwealth of Kentucky

Justification Clause: The purpose of this bill is to provide additional funding for the Kentucky financial aid programs, CAP (College Access Program) and KTG (Kentucky Tuition Grant).

Section 1: Currently, Kentucky's merit-based scholarship, KEES (Kentucky Educational Excellence Scholarship), is fully funded while CAP and KTG are not. As a result, many students who struggle financially cannot afford higher education.

Section 2: The Kentucky Lottery Pick 3 and Pick 4 base ticket prices are currently one dollar. To increase funding to needs-based financial aid programs, this bill will double the price of Kentucky Pick 3 and Pick 4 base lottery tickets.

Section 3: Additional revenue generated from increasing the price of these tickets will directly supplement needs-based scholarship funds.

Section 4: This bill will cost Kentucky no funds to implement.

Section 5: This bill will be enforced by the Kentucky Lottery Commission.

Section 6: This bill will go into effect on January 1, 2015.
