An act to print the Kentucky Performance Rating for Educational Progress (K-PREP) in a variety of languages.

Be it enacted by the Youth Assembly of the Commonwealth of Kentucky

Section I: The K-PREP will translated and printed into many different languages.

Section II: With this, students who are currently English Second Language Learners will be able to complete the K-PREP in their own languages. By doing this, students performance will increase.

Section III: By translating the K-Prep into the multiple native languages of students, test scores will increase significantly.

Section IV: There are school penalties for non-compliance. For the first offense: test cost comes directly from school funds. For the second offense: schools are fined fifty dollars per student. For third offense: schools do not receive funding for non-academic teams.

Section V: This bill will take affect the next school year 2014-2015.
