An act relating to new drivers and vehicle identification decals.

Be it enacted by the Youth Assembly of the Commonwealth of Kentucky

Section 1: This bill will require identification decals to be placed on the vehicles of new drivers and drivers with a learners permit.

Section 2: By having identification decals on the front and rear of the vehicle we will make other drivers aware of new and learner drivers. This effort will help reduce the number of accidents related to inexperienced drivers and others "road rage".

Section 3: Funding for this bill would be provided by the persons obtaining a learners permit and/or GDL (graduated drivers license). A fee of $3.00 will be added to the fee already in existence for obtaining a permit/license.

Section 4: The Office of the Circuit Court Clerk along with local and state law enforcement agencies will be responsible for enforcing the policies set forth by this bill.

Section 5: Penalties for drivers found in non-compliance will result as follows:

1st Offense: Driver will receive a warning citation and be required to purchase a decal and place it on their vehicle promptly.

2nd Offense: Driver will be fined $50 and required to purchase a decal and place it on their vehicle promptly.

Section 6: This bill will go into effect within 3 months after passage.
