Title: **An act to impeach Robert Mugabe in international court of the U.N. for breaking human rights laws**

BE IT HEREBY ENACTED BY THE GENERAL ASSEMBLY OF THE UNITED NATIONS

Justification Clause: The country Zimbabwe is falling under an economic crisis, failing government affecting the whole country, and the decline of human rights that needs to be stopped. Robert Mugabe the "President" of Zimbabwe has really taken over the country and is abusing his power, by brutally killing protesters, innocent political opponents and citizens of Zimbabwe that vote against him with no one to stop him because of his party. He also rigs elections so that he wins every time. Robert Mugabe's reign has kept what used to be "The Bread Basket of Africa" to be coming one of the world's most failing countries. He has focused all the attention on agriculture and his export decisions have led to falling amounts of income. Mugabe has failed his country through healthcare, education and our government.

Section I: The U.N. would gather information and evidence about Robert Mugabe and his reign of corruption and would vote on whether he should be convicted and put on trial the International Court of Justice.

Section II: We are asking the U.N. to provide everything needed from financial needs to medial evacuation.

Section III: The U.N. can supply ambassadors to Zimbabwe to negotiate a plan in which Robert Mugabe and his party would step down from office allowing the U.N. to give aid to Zimbabwe and stage a democratic election.

Section IV: As a counter measure the U.N. will give the U.S. 10 million dollars for a J.S.O.C. force to capture Robert Mugabe. It will be a minimal crew to man the operation of extracting Robert Mugabe, if he is armed then the crew has permission to use lethal force. The team will be veteran members who will take as little casualties as possible.

Section V: This proposal will come into effect as soon as it is passed.
