Title: **An act to create peace between the Israelis and Palestinians over the dispute of the ownership of territories in Israel and Jerusalem.**

**BE IT HEREBY ENACTED BY THE GENERAL ASSEMBLY OF THE UNITED NATIONS**

Justification Clause: From 1987 to 2011 nearly 10,000 casualties occurred during warfare over the controversy of the Jerusalem territory in Israel. Jerusalem is considered the Holy Land for both the Palestinians and the Israelis. While the Israeli government has control over all of Israel, the Palestinians have obtained territory in the West Bank and Gaza in attempts to obtain Jerusalem as Palestine territory. While both peoples want peace, neither group is willing to settle on territorial agreements.

Section I: The Palestinians will be granted complete social, political, and economic control over the West Bank and Gaza. The Palestinians can elect political leaders with the approval of the Israeli government.

Section II: Israel is given total control over Jerusalem. United Nations Peacekeepers will be placed around the borders of Jerusalem in order to keep peace by preventing riots and terrorism between Palestinians and Israelis for the first five years of territorial division.

Section III: Israeli government will agree to support Palestine's entrance into the United Nations.
