Title: **An act to tie UNICEF funding to an educational program promoting the rural employment project.**

BE IT HEREBY ENACTED BY THE GENERAL ASSEMBLY OF THE UNITED NATIONS

Justification Clause: Programs have been implemented to provide assistance but educating the middle and high school students has not been provided. Teaching the youth that employment will be available after graduation will assist them in becoming better adults and assist them with decision making.

Section I: Participating schools must conduct a minimum of sixty minutes of career educational instruction per week provided by trained personal.

Section II: If the nation meets the requirements listed in Section 1 and can show an increase in employment upon graduation of high school within the program's induction, funding will increase by 100% in career or college readiness.

Section III: If the participating nation meets the requirements in Section 1, but fails to show a increase of career readiness within five years of implementation, the nation will be given an additional year at which time the status will be re-evaluated. If it cannot be proven again, all funding will cease

SECTION 4: Guidelines will be enforced by UNICEF.

SECTION 5: This proposal will go into effect within one year of passage.
