Title: **An act to provide sex education classes to all third world countries**

BE IT HEREBY ENACTED BY THE GENERAL ASSEMBLY OF THE UNITED NATIONS

Justification Clause: People in third world countries are not as educated as they should be. When provided with sex education classes, it will help them understand sexual abuse and why it is wrong.

Section I: Since Monaco is a wealthy country; we will be able to contribute the money to pay for teachers. The teachers will be paid minimum wage for the country in which they live.

Section II: Our proposal is an enforcement to have annual sex education classes lasting up to a week long (depending on the size of the country).

Section III: Adults 18 years of age and older are required to go to the classes. If they do not attend the first fine will be \$15. The second fine will be \$30. The third fine will be \$50. The person who does not attend will be responsible for paying the fine in their country's currency.

Section IV: This proposal will be enforced 6 months after is passed.
