1 An act to make early education universally available to all children of low income families in Kentucky through  
2 tax reform.  
3

4 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**  
5

6 Section 1: The Kentucky Head Start Association (KHSA) is a nonprofit organization that provides early  
7 education to low income families, and has suffered from drastic cuts of federal funding. The current  
8 challenge for KHSA is to receive enough funding to provide early education to low income families. Our goal  
9 is to receive additional state funding for KHSA.

10  
11 Section 2: In order to reach this goal of receiving additional funding for KHSA the following tax reforms will  
12 be enacted. For households with incomes of 225,000 dollars or more their state income tax will be raised by  
13 two percent (2%). For households between 80,000 and 224,999 dollars their state income tax will be raised  
14 by one percent (1%). For households with 79,000 dollars and below they will have their state income tax  
15 lowered by one percent (1%). All addition money received from this tax reform will be used to educate  
16 children from low income families in KHSA.  
17

18 Section 3: Responsibility for enacting this legislation will be the duty of Kentucky Department of Revenue,  
19 therefore, this bill will be cost neutral.  
20

21 Section 4: This bill will go into effect on January 1st, 2015.
