7 Section I: The purpose of this bill is to require all Kentucky public school students', grades 6-8, six hours of  
8 community service upon promotion to the high school. Our bill is an attempt to lay the foundation for  
9 actively involving Kentucky school students in community-based projects. In addition, this requirement will  
10 create a better sense of appreciation for ones community and self-worth.

11  
12 Section II: Community service is a volunteer service intended to help people of a particular community or  
13 organization. With the passage of our bill, students will be exposed to various types of community volunteer  
14 work and will further connect them to their community, state, and world.

15  
16 Section III: Our bill intentionally affects Kentucky public school students' grades 6-8. However, it ultimately  
17 impacts thousands of people that are volunteering, distributing ideas of types of service, the community that  
18 receives that work, and the people who are organizing the initial projects.

19  
20 Section IV: There are no expenses involved with the implementation of this bill.

21  
22 Section V: This bill will be take effect at the beginning of the 2014-2015 school year.
