1                                   An act to mandate a year round schooling system for the state of Kentucky.

2

3                                   **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4

5   Section 1: This bill, if enacted will require all students of the public school system in the state of Kentucky  
6   grades K-12 to attend a year round schooling system model.

7

8   Section 2: The state of Kentucky would adopt a "single track" schooling system that would replace the  
9   traditional nine-month calendar with a year-round calendar that allows for continuous education with a  
10   shorter summer vacation and more frequent breaks during the periods of teaching.

11

12   Section 3: The schools would not add any more days than they have in the traditional school year.

13

14   Section 4: This school system would not have to incorporate any additional costs when adopting this school  
15   calendar; therefore, additional funding would not be required.

16

17   Section 5: This bill will go into effect at the beginning of the 2016-2017 school year.
