1 An act to allow high school students involved in a KHSAA approved sport to receive their mandatory P.E.
2 credit.
3

4 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
5

6 Section 1: It is required by the state of Kentucky that all high school students, in order to graduate, must
7 have at least one Physical Education (P.E.) class that is worth a half credit (0.5). Currently, school districts
8 may allow any student involved in JROTC or an interscholastic sport to request their P.E. credit for actively
9 participating in their respective activity. This act would mandate that all students participating in KHSAA
10 sports will receive their required P.E. credit to graduate.
11

12 Section 2: KHSAA, the Kentucky High School Athletic Association, states that Golf, Volleyball, Soccer, Cross
13 Country, Football, Wrestling, Swimming and Diving, Basketball, Tennis, Track and Field, Fast Pitch Softball,
14 and Baseball are official sports. It should be mentioned that although Competitive Cheer, Bowling, Archery
15 and Bass Fishing are listed on the KHSAA website, they are not listed as sports, but listed as activities. This
16 means they will not be included in receiving the credit automatically.
17

18 Section 3: To qualify for the required P.E. credit a student must complete a full season of their sport. Credit
19 will then be assigned to the students transcript at the end of the school year. The athletic director will be in
20 charge of providing the school with a list of the athletes participating in the sports that qualify the student
21 for the P.E. credit.
22

23 Section 4: This bill will take effect beginning with the 2014- 2015 school year.
