1 An act to establish an international council to control the rate and flow of immigration.

2
3 **Be it hereby enacted by the General Assembly of the United Nations**

4
5 Justification Clause: Due to the rise of aggressive military forces in the Middle East and central Africa, and
6 the aggressive drug trafficking within the Southern Hemisphere, thousands of people are being displaced
7 from their home countries and are left to immigrate to foreign nations. However, this mad crisis has caused
8 chaos and has forced many people to become refugees. The enactment of this proposal will allow for a
9 council to be established that deals solely with the protection, evacuation, and immigration of individuals
10 into foreign countries.

11
12 Section I: This council shall be given the same rights and abilities as the Security Council. It shall have all the
13 financial and governmental power, as well as the litigation needed to make it an equal power within the
14 multiple independent organizations run by the United Nations (UN).

15
16 Section II: This council shall be made up of one representative from every member nation. This representative
17 must have previously worked with their country's Department of Immigration, or have a high level of
18 competency in the field of international relations.

19
20 Section III: The council shall have at its disposal legal, financial, economic, and health officials from within the
21 United Nations. This is so that in the case of emergency or great need, the council may affirm individuals
22 over certain areas that may need to be seen after on the international stage.

23
24 Section IV: This council shall work hand in hand with other UN appointed organizations, such as the Office of
25 the United Nations High Commissioner for Refugees (UNHCR), the United Nations Development Program
26 (UNDP), United Nations Relief and Works Agency for Palestinian Refugees in the Near East (UNRWA), the
27 United Nations Population Fund (UNFA), and the United Nations World Food Program (WFP).

28
29 Section V: After enactment by the General Assembly, the Council on the Affairs of Immigration shall be put
30 into place and power January 1st of the coming year.
