1 An act to disband the United Nations

2
3 **Be it hereby enacted by the General Assembly of the United Nations**

4
5 Section I: The United Nations has failed not because of corrupt goals, rather because of far too outlandish
6 goals and a governing body that is in itself corrupt and unconcerned with its own alleged goals.

7
8 Section II: A prime example of the hypocrisy of the UBN is dealings with terrorist organizations, or rather
9 lack thereof. The United Nations does not have a clear definition of terrorism nor do they intend to pursue
10 one.

11
12 Section III: Modern terrorism began with the hijacking of Israeli flight 426 by a Palestinian terrorist
13 organization in 1968. The UN condemned the terrorism but took no further action. This pattern continued
14 throughout the twentieth century.

15
16 Section IV: After the terrorist attacks on the World Trade Center, the UN finally took action. Not only does
17 this show that the United Nations is far more concerned with the agendas of the nations on the Security
18 Council, it also exemplifies the bias of the UN. Only Al Qaeda and the Taliban were punished. State-funded
19 organizations such as Hama, Hezbollah, and the Palestinian Liberation Front go unaffected to this day by the
20 UN's "action."

21
22 Section V: Not only are these appalling groups not being punished by the UN, they are actually being
23 partially funded by the UN through the Relief Works Agency funding sent to Palestine. This shows that the
24 United Nations is unconcerned with the dying citizens of the Israeli state that they helped create, thus
25 supporting the chaos with their actions and the capital they embezzle from their member nations.

26
27 Section VI: Militant and financial assets of the United Nations will be redistributed among its member
28 nations based upon where such assets originated. The UN will have one year to make these final decisions.

29
30 Section VII: This proposal will go into effect one year after passage.
