1 An act to establish the Red Cross without suspension in conflicting areas of Sudan

2
3 **Be it hereby enacted by the General Assembly of the United Nations**

4
5 Justification Clause: On February 2, 2014, Sudan suspended work of the national Red Cross due to not
6 meeting the guidelines for humanitarian work. This has been a long-term issue for Sudan with foreign aid
7 groups. The Sudanese people need protection from these groups due to the fighting amongst the people,
8 and outbursts of violence. Without help from the aid groups the people feel more vulnerable than they
9 already have. To ensure protection, and safety an established aid group is necessary.

10
11 Section 1: The ultimate goal of this establishment will be to make sure the Sudanese people are fully
12 protected when violence strikes with fully equipped shelters, medical assistance, and all necessary supplies.

13
14 Section 2: The aids will be located in all areas they previously had been, and will be checked regularly to make
15 sure they're meeting all of the humanitarian guidelines.

16
17 Section 3: The Red Cross will be notified of the new changes, and the proposal will immediately go into effect
18 upon passage.
