An act to require all schools to hire a Certified nurse full time.

Be it enacted by the Youth Assembly of the Commonwealth of Kentucky

Section 1: All schools in Kentucky are required to have a certified nurse on staff. The nurse will be required to attend to all injuries and illnesses that may occur during school hours to both students and faculty. This does not include after school activities.

Section 2: When this bill goes into effect all school districts will be required to provide a certified nurse. This nurse would be present in elementary, middle, and high schools. If the elementary, middle, and high schools are on the same campus and within one square mile of each other, only one nurse would be required.

Section 3: It is the school districts responsibility to provide the salary for the nurses.

Section 4: This bill will go into effect on August 1st of 2015.
