Action on Proposal

City: Manchester \_\_\_\_ Defeated

An act to strengthen the constitutional monarchy to refrain from becoming an absolute monarchy in Monaco.

## Be it hereby enacted by the General Assembly of the United Nations

Section 1: Currently, Monaco, a city of sovereignty, is governed under a form of constitutional monarchy, with Prince Albert II as head of state.

Section 2: Though a constitutional monarch, Prince Albert II holds an immense amount of political power and influence. As head of state, Prince Albert II serves as the highest ranking official in the sovereign state.

Section 3: Although already a partially democratic form of government, we wish to strengthen the power that is given to the people and lessen the power that is given to the monarch, therefore preventing a preceding form of government, such as the absolute monarchy.

Section 4: The United Nations will implement this proposal and take action as seen fit.

Section 5: This proposal will go into effect as soon as passed.
