1 An act to require all companies in Egypt to fund and install an outdoor air filter.

2
3 **Be it hereby enacted by the General Assembly of the United Nations**

4
5 Section 1: According to the World Health Organization, the average Egyptian inhales more than 20 times the
6 acceptable level of air pollution every day. This is equivalent to smoking a pack of cigarettes each day. The
7 contributing factors include, but are not limited to pollution from industrial plants, dust and sand storms, as
8 well as pollution from the increase in automobiles. Our proposal strives to reduce the air pollution in urban
9 areas of Egypt by mandating companies to fund and install an outdoor filter.

10
11 Section 2: This proposal will require all companies to fund and install an outdoor filter. .

12
13 Section 3: The Egypt Department Of Health will administer this proposal . The department will use the fees
14 obtained from individual companies to regulate this proposal.

15
16 Section 4: Individual companies that do not sponsor an outdoor filter will be fined 5% of their annual net
17 income.

18
19 Section 5: This proposal will go into effect a year after passage.
