1 An act to act to request a UN fund of \$150,000 to better train the elite Anti-Kidnap squad in Venezuela.

2

3 **Be it hereby enacted by the General Assembly of the United Nations**

4

5 Justification Clause: Venezuela has the highest kidnapping rate in the world. Every day, people are kidnapped  
6 and held at ransom. Due to this, the Venezuelan government created an elite squad to try and prevent and  
7 lower the kidnapping rate. So far, it has only made minor dents in the kidnapping. We would like to change  
8 that.

9

10 Section I: The money from the fund will go to the Anti-Kidnap squad. Using the funds, we will better train the  
11 squad at tracking and preventing kidnaps.

12

13 Section II: According to the government, an average of 46 people a day are kidnapped in Venezuela. There  
14 are also over 18,000 criminal bands that kidnap almost every day. Also, most kidnaps go completely  
15 unreported.

16

17 Section III: The Anti-Kidnap squad will be better trained in tracking and assisting those who have been  
18 kidnapped. This can help reduce the capture rate in Venezuela.

19

20 Section IV: As the Anti-Kidnap squad expands, it will help to put an end to the mass kidnappings that are  
21 occurring.

22

23 Section V: This proposal will go into effect by 2015.
