1   An act to require all school faculty to be certified in CPR
2
3   **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5   Section 1: This bill requires all Kentucky school faculty and staff members to be trained and certified in CPR
6
7   Section 2: All faculty and staff members must have a minimum of six credited and required hours of proper
8   CPR training. Along with CPR instruction, the instruction will include the proper administration of an AED and
9   the Heimlich Maneuver.
10
11   Section 3: Training/Instruction will be carried out by the Certified District Nurse and/or School Health
12   Coordinator through scheduled meetings set up by the principles of each school within the district.
13
14   Section 4: Funding for this bill will be provided by each Board of Education with the funds already allocated
15   for professional development trainings for all faculty and staff members within the district.
16
17   Section 5: Non-compliance by any faculty and staff member within a school district shall result in the
18   following penalties/punishments:
19
20   1st Offense: Faculty/Staff member(s) will receive a written warning from the Superintendent for non-
21   compliance and will be required to for and attend a training session outside of the district.
22
23   2nd Offense: Faculty/Staff member(s) will be suspended without pay until the training is completed. Since
24   this will now be required for employment, the Superintendent has the right to fire or suspend personnel
25   based on non-compliance with district policies.
26
27   Section 6: The Superintendent of each school district in the state of Kentucky will be responsible for the
28   enforcement of this bill.
29
30   Section 7: This bill will go into effect for the 2015-2016 school year.
