1                   An act to mandate Locally Grown Foods in Meals Provided by Public Schools in Kentucky  
2  
3                   **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**  
4  
5   Section 1: This bill will work in partnership with the Kentucky Department of Education, the United States  
6   Department of Agriculture, and the National Farm to School Program.  
7  
8   Section 2: This bill will allow Kentucky to be added to Section 4202 of the Agricultural Act of 2014, which  
9   will provide Kentucky with the ability to explore procurement alternatives- including local farms- for  
10   unprocessed fruits and vegetables. This bill will improve KRS 45A.645, which promotes the use of locally  
11   grown foods in public schools.  
12  
13   Section 3: Locally grown foods will be purchased, promoted and served in public school lunches whenever the  
14   are available seasonally.  
15  
16   Section 4: Kentucky will receive funding from the already funded Farm to School Programs along with funding  
17   that is already received from the U.S.D.A.  
18  
19   Section 5: Schools shall receive a 5% discount on all of the locally grown food purchased. This will help grow  
20   farms in Kentucky by increasing the demands for food.  
21  
22   Section 6: United States Department of Agriculture will enforce this Bill.  
23  
24   Section 7: This bill will go into affect on July 1, 2016.
