1           An act to provide psychological counseling to any person abducted in the state of Kentucky.

2

3                           **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4

5   Section 1: An act to provide a psychological counseling to any persons kidnapped in the state of Kentucky.  
6   An estimated 2,300 children are missing every day in the United States. These children, depending on their  
7   age and length of captivity, will experience varying levels of mental trauma. If left untreated, it directly  
8   affects their mental development and ability to assimilate back into their lives.

9

10   Section 2: After family members are reunited and immediate needs has been met. The victim will undergo a  
11   highly recommended therapy session, free of cost to the victim and their family.

12

13   Section 3: If the medical expert rules the victim mentally unstable, then they can decide an approximate  
14   number of additional sessions or recommend in-patient therapy. All sessions are optional for the victim and  
15   the family to attend.

16

17   Section 4: The bill will go into effect January 2016
