- 1 An act to impose harsher penalties on truck drivers/trucking companies for not following tire tread depth
- 2 requirements.
- 3
- 4 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
- 5
- 6 Section 1: Federal law #393.75 requires a tread depth of at least 4/32" on front steering tires and 2/32" on
- 7 all other tires. KRS 189.205 states that all tires on vehicles driven in Kentucky must be safe, however, there
- 8 is no listed minimum tread depth.
- 9
- 10 Section 2: Federal law #396.11 requires every driver to complete a daily vehicle inspection report which
- 11 includes a tire tread inspection.
- 12
- 13 Section 3: Any defect or deficiency discovered by the driver, such as tire tread depth not meeting minimum
- 14 standards, should be corrected prior to the driver operating the truck or trailer that day.
- 15
- 16 Section 4: The current fine for operating a vehicle with insufficient tire tread is only \$20. Our bill proposes
- 17 this fine be raised to \$75.
- 18
- 19 Section 5: This bill will go into effect January 1, 2015.
