18 Section 3: Through this bill, students will be ensured privacy and safety related to grades and educational  
19 records. This can also prevent bullying.

20  
21 Section 4: If anyone violates this act, the following penalties shall apply:  
22 a. Adults shall be put on probation from teaching/occupation. Adults cannot be removed from their  
23 position unless a court hearing is provided. This does not apply to student teachers.  
24 b. Student teachers will be reported to the college and further penalty will be decided by the college.  
25 They will be removed from their student teacher position at the school. This will be added to their  
26 permanent record.  
27 c. Students will receive up to 3 days suspension. The school will decide how long the suspension will  
28 be depending on the extremity of the violation. If not a serious violation, it will result in counseling to  
29 decide on a penalty.

30  
31 Section 5: Sufficient funds for resources (such as study cubicles) will be provided by Title 1. Schools that are  
32 not Title 1 will have the school board pay. They will also need to supply substitute pay for teachers filling in  
33 for those suspended from teaching.

34  
35 Section 6: This will be monitored by the superintendent who has ultimate authority for enforcing the law and  
36 ensuring privacy upon students. The superintendent, in appropriate circumstances, delegate this authority
