1 An Act to require photo identification for all voters in an effort to prevent voting fraud.

2  
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4  
5 Section 1: In the Commonwealth of the State of Kentucky, registered voters are not required to present any  
6 form of formal identification when voting. This caters to those who persuade others to vote illegally under  
7 another person's name.

8  
9 Section 2: Election fraud in Kentucky and the nation is not laughing matter. It is a common practice that  
10 includes fake registrations with made-up names; "ghost" voting by the dearly departed; elderly voters having  
11 their ballots cast by care-workers; and ineligible felons and illegal aliens casting illegal ballots.

12  
13 Section 3: This bill will not require any additional funding. It simply requires the precinct workers to enforce  
14 an identification requirement for any person wanting to vote.

15  
16 Section 4: This bill will be enforced by the Kentucky Departments of State and Justice, the State Board of  
17 Elections and local law enforcement agencies.

18  
19 Section 5: A penalty of \$500 per violation of non-compliance for will be enforced against the precinct  
20 officials and workers that fail to require voters to present a valid photo identification when voting.

21  
22 Section 6: This bill will go into affect before the next election session of the new calendar year after its  
23 passage.
