1 An act to set aside land in Fort Knox for wounded veterans: "Hunting With Heroes".
2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5 Section 1: This bill will allow our wounded warriors who may have trouble living in normal society again, and
6 any other veterans to enjoy outdoor activities such as hunting, fishing, and archery...with the aid of
7 volunteers if they need assistance.
8
9 Section 2: Nearly 250,338 veterans have adjustment problems when coming back from the armed forces.
10 The program created by our bill would help them to adjust more easily to society in a way that they can
11 enjoy and will provide them with aid in doing so.
12
13 Section 3: This bill will set aside a portion of Fort Knox for those veterans who would like to participate in
14 activities outdoors, but can't due to a wound or disability. This will take volunteers to go through a short
15 training.
16
17 Section 4: The organization will be non-profit and will be founded by government, as well as donations for
18 equipment, training, and handicap accommodations.
19
20 Sections 5: This bill will go into effect 6 months after passage.
