1 An act to Term Limit All Kentucky State Legislators.

2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4
5 Section 1: There is a history of long term career politicians in the Kentucky state government. Their ideas go
6 fast. New leadership is vital for the success of our government. With new people in office there are new
7 ideas that come with them. Term Limits will break the power special interest groups have in Congress. Term
8 Limits will encourage regular citizens to run for office. Right now, there is a 94% re-election rate in the
9 House and 83% in the Senate.

10
11 Section 2: Kentucky's Constitution will be amended to limit all Kentucky state legislators to serving a total of
12 twelve years in their elected office. This means that all legislators with two-year terms can serve up to six
13 terms. Furthermore legislators with six-year terms can serve two terms.

14
15 Section 3: This bill has passed in fifteen other states. The most recent was Nevada in 2010. These bills have
16 received overwhelming support in these states.

17
18 Section 4: This bill will come into effect on January, 2016.
