## KENTUCKY YMCA YOUTH ASSOCIATION

# Virtual Code of Conduct

It is important that our participants and guests feel welcomed and safe in our programs. This code of conduct embodies the spirit of the Y, and is intended to help everyone feel comfortable and thrive. As a YMCA participant or guest, we ask you to agree to follow this code of conduct which is rooted in our core values.

These requirements also serve as an extension and supplement to any codes of conduct students and participants must abide by for in-person programming.

1. Appropriate Video Call Etiquette:
  - When registering/signing-in for any video call or meeting, please use your **First & Last Name** (not a random username), as well as your **School** in parentheses (for KUNA, please include **COUNTRY instead of School**).  
**Example:** Curious George (Monkey Acad.). This helps us to ensure the privacy of our meetings.
  - Please find a quiet area and call in at the scheduled meeting time so that you can be fully present in the virtual experience. We ask that all participants have their video function on their device if possible so we can see and hear you.
  - Please do your best to keep background noise or distractions to a minimum. Mute yourself when you are not speaking.
  - Please do not take your phone or computer to the bathroom.
  - Photos and videos of others without the expressed consent is prohibited.
2. Cell phones, music players/speakers, or other wireless communications should not be used during meetings or formal programming time.
3. Appropriate attire: Appropriate attire must be worn at all times. Clothing with vulgar language, obscene gestures, racial slurs, or anything that contributes to a hostile environment or would be considered inappropriate in a YMCA program is not allowed. Appropriate tops and bottoms should be worn.
4. Appropriate language: Vulgar language, including swearing, name-calling or shouting/yelling at others is prohibited. When communicating in the chat box, please do not send links or information that is not aligned with our YMCA core values.
5. Appropriate Interactions: Participants shall demonstrate respectful, responsible, caring, and honest conduct before, during, and after all KY YMCA virtual interactions. This includes but is not limited to: social media, physical and verbal interactions, electronic communication. Above all else, other people's needs/requests must be respected. *Bullying of any kind will not be tolerated. This includes but is not limited to physical, verbal, mental, cyberbullying.*
6. All delegates share the responsibility for their actions when violations committed by students or adults are witnessed. Those present who do not act to remedy and report the violation shall be considered participants. There are no "innocent bystanders."
7. Creating a welcoming environment: Respect others' cultures and personal way of being. We strive to create a safe emotional and physical space. We encourage participants to honor diversity in all dimensions and respect opinions or perspectives. The Kentucky YMCA stands up against all forms of bullying, discrimination and racism.
8. Appropriate conduct: Any other conduct of an inappropriate, threatening or offensive nature will be investigated/evaluated by YMCA staff. Participants that do not abide by this agreement may be prohibited from participating in future virtual events or in-person activities.
9. Physical intimacy between participants is inappropriate at all times during Kentucky YMCA programs. This includes, but is not limited to: romantic interactions, unwanted or inappropriate physical contact, unwanted comments/conversation, etc.

10. Alcohol, Tobacco and Drugs: The use of alcohol, tobacco, and drugs (including e-cigs/ tobacco-like products) is not permitted in or outside of ALL virtual calls. Participants that show, obtain, see in the background, make references to or use during the virtual calls will be removed from meeting and removed from future virtual and in-person events. Law enforcement may be involved if necessary.

If a participant or guest feels uncomfortable in confronting someone directly about offensive behavior or other issues that are in violation of this code of conduct, we ask that you please report the behavior or issue to Kentucky YMCA staff.

To create and maintain a space that embodies our core values, the Y is serious about being clear regarding activities that are not allowed. If you violate this code of conduct, consequences can include termination of program privileges, being removed from all virtual programming, and involving appropriate legal authority. The YMCA reserves the right to make situational decisions based on our policies, mission, and values.

By taking part in Kentucky YMCA programs, all participants, along with their parents/guardians, agree to this code of conduct. If you have any questions concerning the above policies, please contact Nikkey Blackman at [nikkey@kyymca.org](mailto:nikkey@kyymca.org).

# OUR MISSION

## YMCA OF THE USA MISSION STATEMENT

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

## CORE VALUES

- Honesty
- Caring
- Respect
- Responsibility

## KENTUCKY YMCA MISSION STATEMENT

To develop engaged citizens and servant leaders inspired to affect change in their school, community, Commonwealth, nation, and world. Through experiential learning, service, and community activism, the Kentucky YMCA Youth Association fosters critical thinking, leadership, and social responsibility in teens.

## AREAS OF FOCUS

**Youth Development**  
Nurturing the potential of every child and teen

**Healthy Living**  
Improving the nation's health and well-being

**Social Responsibility**  
Giving back and providing support to our neighbors

## YOUTH DEVELOPMENT AT THE YMCA

Kentucky YMCA Youth Development is the **social-emotional**, **cognitive**, and **physical** process that all youth uniquely experience from birth to career. A successful development process fulfills children and teens' innate need to be loved, spiritually grounded, educated, competent, and healthy.

Positive youth development is supported by the intentional efforts of individuals, including parents, mentors, teachers, community members, peers, and others who help foster the skills needed for successful living through motivation, active engagement, enriching activities, and healthy relationships.

## DIMENSIONS OF WELL-BEING

At the Y, we support youth development by fostering nine dimensions of well-being: Character, Giving, Inspiration, Health, Achievement, Relationships, Belonging, Meaning, and Safety.

Youth Development at the Y emphasizes three of these dimensions when measuring the impact and effectiveness of our programs:

- Achievement**
- Relationships**
- Belonging**

## THE FIVE PILLARS

To help ensure the fidelity and quality of our YMCA teen programs, we measure and seek to maximize impact using the following pillars:

- Academics**
- Positive Relationships**
- Positive Identity**
- Life Skills**
- Civic Engagement** (Youth and Government\*)

\*Each YMCA teen program has a unique pillar of measurement. As a Youth and Government program, the Kentucky YMCA and our Student YMCA Chapters measure civic engagement.

1                   An Act Related To Automated Speed Enforcement to Improve Kentucky Roadway Safety

2  
3                   **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4  
5   Section 1: This bill is to address roadway safety issues in Kentucky involving citizens driving at excessive  
6 speeds. During 2018, speeding was a contributing factor in 18% of traffic fatalities and 44% of all collisions  
7 in Kentucky. 25 Americans die each day in a traffic accident when speeding is involved. Use of this  
8 technology in other states has been proven successful in reducing traffic accidents, improving driving  
9 conditions, and allowing law enforcement officials to focus on other crimes and decreasing traffic fatalities.

10  
11   Section 2: Automated Speed Enforcement cameras will be placed along Kentucky roadways that have  
12 historically seen a high rate of traffic accidents related to speeding (road signs, etc.). Placement,  
13 maintenance and operation of cameras will be overseen by state and local agencies that are responsible for  
14 traffic enforcement for that area.

15  
16   Section 3: The cameras will be able to detect the speed of the vehicles in motion. If a vehicle is shown going  
17 over the limit, the camera will take a picture of the license plate and driver operating the automobile. Tickets  
18 will be mailed to the address on the vehicle registration.

19  
20   Section 4: Noncompliance If the ticket is not paid by deadline, additional penalties will be assessed for  
21 nonpayment. Nonpayment of fines and penalties could result in suspension of driving privileges. Drivers may  
22 protest their fine by submitting it to the agency assessing the infraction.

23  
24   Section 5: This bill will take effect on October 21st, 2021.

15 currently 818 student resource centers in Kentucky and 300 of those share with 2 schools.

1 An Act To permanently terminate all current and future custody rights of Kentucky parents who have had  
2 children removed from their homes.

3  
4 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

5  
6 Section 1: Each year, more than 3 million cases of child abuse are reported. Child abuse harms every child  
7 exposed to it. Whether it be mental abuse, when a parent verbally abuses a child; physical abuse, when a  
8 parent leaves visible scratches, bruises, or broken bones on their child; neglect, a type of abuse that occurs  
9 when a parent refuses or fails to provide for their child’s most basic needs; or sexual abuse, when an adult or  
10 older adolescent uses a child for sexual stimulation. No matter the case, abuse surrounds our  
11 commonwealth.

12  
13 Section 2: Approximately, five children die each day because of child abuse. If we don’t create a solution for  
14 this ongoing issue, this number, unfortunately, will rise rapidly. When a child is taken away from their  
15 parent(s), the parent(s) can regain custody over 50% of the time, which allows them to abuse their child  
16 further. Children will also be affected by abuse in the future because of their parents’ impact on them in their  
17 youth. In the end, innocent children will become physically and mentally impacted for life because of their  
18 abusive parents.

19  
20 Section 3: 1,825 children deaths are caused annually by their own parents. This is atrocious. Countless other  
21 children are simply negatively affected for their entire lives. We would like to put an end to Kentucky parental  
22 rights after children have been removed from their custody. This would lessen the number of deaths because  
23 this would withdraw the chance of the parents abusing their child again, after the child is taken away. The  
24 child will go to a foster family already prepared and provided.

25  
26 Section 4: Foster families are paid for taking the child into their custody. These families are paid based on  
27 how much the child needs in order to survive. They could be paid 9,125 dollars a year or they could be paid  
28 2,000; it all depends on the child’s needs. The government already covers these payments, so there will be  
29 no additional taxes for American citizens.

30  
31 Section 5: This will go into effect January 1st, 2021.

1                                    An Act To Require a Boating License to Operate a Boat in Kentucky

2  
3                                    **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4  
5    Section 1: In 2017, Kentucky’s waterways reported 41 boating accidents which resulted in 13 deaths and  
6    23 non-fatal injuries. Common causes of boating accidents in the United States are operator inexperience,  
7    improper lookout, and violations of navigation rules. Such causes could be largely avoidable with proper  
8    boating education.

9  
10   Section 2: In the state of Kentucky, the only current restriction requires 12-17 year olds to obtain a  
11   Kentucky Safe Boating Certificate Card. Any person that is 18 or older requires no education on boating and  
12   can pilot a boat at free will. Our bill would require all persons wishing to pilot a watercraft to take the  
13   Kentucky Safe Boating Education course.

14  
15   Section 3: If this legislation is passed, the acquisition of this license by boaters will be supervised by the  
16   Kentucky Department of Fish and Wildlife and enforced by the Corps of Engineers.

17  
18   Section 4: The funds to administer the course and issue the license would be allocated by a mandatory \$45  
19   fee people must pay to acquire the boating license. The Kentucky Safe Boating Certificate Card will arrive in  
20   the mail upon passing the exam. The license will need to be renewed every 10 years at a \$10 fee.

21  
22   Section 5: This bill will be enacted January 1st, 2022 upon its passing.
