1 AN ACT relating to reforming teacher tenure in the State of Kentucky.

2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4
5 Section 1: This bill will change the teacher tenure system in the state of Kentucky from a one-time
6 issued continuing contract to year-long Teaching Status Contracts (TSCs) that can be renewed at the
7 discretion of the Site-Based Decision-Making Council (SBDM) at the expiration of the previously issued
8 contract.

9
10 Section 2: Teachers will sign Teaching Status Contracts to represent their employment status. The
11 length of these contracts will be based off the education level of the employee.

12
13 Section 3: School administrators will have a list of state mandated criteria to evaluate teachers as well
14 as full autonomy of other appropriate criteria that are considered of value to the respective districts.
15 At the expiration of the contract, a teacher will appear in front of the School-Based-Decision-Making
16 Council where their employment status will be considered.

17
18 Section 4: School districts will be required to make decisions on the teacher's expiring contract status
19 two (2) weeks after the evaluation committee has met. If a teacher does not receive official notice of
20 their termination within the two (2) weeks the teacher will be compensated for the time thereafter.

21
22 Section 5: This bill will become effective at the start of the following school year.
