## DAY ONE

### ARRIVAL

**The Y Desk:** The Y Desk is located at the west lot entrance of the Crowne Plaza Hotel, directly across from the Crowne Ballroom. Staffed at all times during programming, the Y Desk is your one-stop-shop for questions, answers, and mission critical conference items, like ballots and the all-important coffee vouchers!

**Arrival & Luggage Storage:** Upon arriving at the conference you'll need to locate your delegation's luggage storage room; just ask a Y-Staff or volunteer or ask at the Y-Desk. Your luggage storage room is just that: a place to store luggage until you receive your room keys. When storing luggage, be sure to stack it tightly as possible in the area in front of the sign with your delegation's name on it, and students' bags are labeled After storing luggage, you should go with your students to the Crowne Ballroom to get bill books and neck wallets while awaiting the first official meetings of the day.

**Get 'em to their meetings...then get to yours!:** The conference kicks off with a set of meetings for everyone. Students will go to either the "New" or the "Experienced" delegate meetings. Time and locations are listed in the conference agenda in the front of the bill book. Once your students are heading to their meetings, advisors and other adult chaperones have a meeting of their own. The advisor meeting will get everyone oriented and allow for Q&A. It is also a time where any conference specific agenda or programming updates will be shared, so it's mandatory that all adults in your delegation attend.
