KENTUCKY YOUTH ASSEMBLY YOUTH GOVERNORS REPORT

Since 1946, the Kentucky YMCA has proudly sponsored the Kentucky Youth Assembly, or KYA – the nation’s largest Youth and Government program for middle and high school students.

As KYA delegates, students can serve as Representatives and Senators, Justices and Attorneys, Cabinet Secretaries, Lobbyists, or members of our Media Corps. During the fall, delegates work with their school delegations to research and write legislation that they will sponsor at the Assembly.

The 2018 KYA session was our largest program yet, with hundreds of KY youth participating in debate for the first time. Over the course of 7 assemblies – 3 High School and 4 Middle School – the Y served more students, families, schools, and communities than ever before:

7,536 STUDENT DELEGATES **3,854** HIGH SCHOOLERS
3,682 MIDDLE SCHOOLERS

REPRESENTING **130** HIGH SCHOOLS
260 **130** MIDDLE SCHOOLS
SCHOOLS **808** VOLUNTEER TEACHER
ADVISORS & CHAPERONES

AUTHORED AND SPONSORED **45**
632 **BILLS** SIGNED INTO
LAW BY KYA GOVERNORS

Of the 632 bills that were written, sponsored and debated by our student delegates during KYA 2018, our High School Youth Governors signed 45 of them into law.

The **Youth Governors Report** lists each of these 45 bills by both title and school, and organizes them into policy areas for presentation and consideration by their respective House and Senate Committees.
